**Staff present:** N. Edwardson, Recording Secretary

**A. Limited Public Comment:** None

**B. Approval of 10/17/06 Advisory Committee Meeting Minutes:**

Minutes were not approved.

**C. Discussion Items:**

**1. Discuss potential Private Road Ordinance**

Lewis handed out copies of Private Road Ordinances from other townships, Webster, Whitewater, Ada, Genoa and the Fire Department.

The committee reviewed the different ordinances and discussed what they liked or didn't like. Whitewater was chosen to use as a draft for Acme Township.

Beginning with the first page of the ordinance the committee went through each section of the ordinance. The first section was Name, section 2 was Definitions. There was a lot of discussion about what made up a Private Drive and a Private Road. Private Drive was defined as "Any access for vehicular traffic which is Privately owned and maintained which provides access to two (2) or less lots or Parcels." Private Road was "Any road or thoroughfare for vehicular traffic which is privately owned and maintained and which provides the principal means of access to three (3) or more abutting properties. Henry had to excuse himself for another appointment. The committee decided that each member would read over the ordinances from Webster and Whitewater townships and bring back comments to the next meeting and continue working on a draft.

No date for a meeting was scheduled.

**ADJOURNED AT 4:45 p.m.**
