- a. **“7.11 MEDICAL MARIHUANA FACILITIES**

- 7.11.1 Statement of Intent:**

- The purpose of a Medical Marihuana Facility is to allow for the uses set out in the Medical Marihuana Facilities Licensing Act. Acme Township desires to allow all legal businesses to operate in the Township, but recognizes the need to zone for all uses to protect the health, safety, and welfare of the general public.

- 7.11.2 Specific Medical Marihuana Facilities Requirements:**

- All Medical Marihuana Facilities must comply with the following:

- a. Possess a valid license from both Acme Township and the State of Michigan.
 - b. A Medical Marihuana Facility shall not be located within a 1,000 foot radius of any existing public or private elementary, vocational, or secondary school, or a public or private college, junior college, or university, or a library, or a playground or park, or a public or private youth recreation facility.

1. For purposes of this section the term “library” means a library that is established by the state; a county, city, township, village, school district, or other local unit of government or authority or combination of local units of government and authorities; a community college district; a college or university; or any private library open to the public.

2. For purposes of this section the term “playground” means any outdoor facility (including any parking lot appurtenant thereto) intended for recreation, open to the public, and with any portion thereof containing three or more separate apparatus intended for the recreation of children including, but not limited to, sliding boards, swing sets, and teeterboards.

3. For purposes of this section the term “park” means any land or facility of any size or shape, including but not limited to road ends, and submerged lands, that are open to the public and used for recreation or held for future recreational use. For purposes of this section the term “park” shall not mean linear ways or multiuse paths.

4. For purposes of measuring the 1,000 foot radius in this section, the measurement shall be taken from the nearest property line of the existing public or private elementary, vocational, or secondary school, or public or private college, junior college, or university, library, or playground or park, or a public or private youth recreation facility to the nearest point on the building where the proposed Medical Marihuana Facility is proposed.”
