Draft Minutes

ROLL CALL:

Committee:	X	Feringa	X	Heflin	X	Heffner		
	X	Jenema	X	Timmins	X	Wentzloff		
Advisory:	-	Heinert	X	Kushman				
Staff:	X	Winter						

- A. PUBLIC COMMENT:** Jenema discussed Robert's rules of order and why old business items would be kept on the agenda but may not be discussed at every meeting.
- B. APPROVAL OF AGENDA:**
Motion: To approve the agenda Wentzloff, 2nd. By Heflin. Motion carries
- C. INQUIRY AS TO CONFLICTS OF INTEREST:**
- D. CORRESPONDENCE:**
- E. ACTION:**
- 1. Approve Parks & Trails Minutes 01/20/2016**
Motion: To approve the minutes from 01/20/16 Wentzloff, 2nd. By Timmins. Motion carries
- F. OLD BUSINESS:**
- 1. Deepwater Trail Segment Update** - The donation money came in and Pam (TART's development Director) are putting the remaining pieces together for the match money. The deepwater point project will roll into the north bayside park project. Feringa and Kushman have a meeting 2/ 24/17 to start looking at maps through the tribal properties.
 - 2. Bayside Park Design Elements** - Klaus will be at the March meeting to discuss. No action today. Heffner asked about the dirt in bayside parking lot being moved. Jenema explained they were trying to have the cost of moving the dirt to the place it will be used, involves minor tree removal, covered under the grant.
 - 3. Adopt-A-Bench Program** - on hold until March. Will discuss addition of adding swings later in the planning process after placement of objects is determined. Wentzloff brought up the question of allowing objects in parks, that received the trust fund grants to allow memorial plaques on donated objects.
 - 4. Acme Connector Trail – 2% Grant** - The township was awarded \$15,000 from the GTB for the connector trail from Bunkerhill to M72. The amount awarded was half of the cost needed. TART is hoping to fill that gap privately, but may have to come back to the township if there is a gap in their fundraising efforts. Kushman spoke about Holiday Inn's support of the connector trail project but due to a bundling of properties on the corporation's end it makes it difficult to easily grant an easement. Trail access is the number one requests of their guests. Jenema - asked Aukerman to attend the Park and Trail meeting today because of overlap on the park and trails committee and the board, and also because she helped the committee to set up the committees focus and goals.
 - 5. Gilroy Park/Bunker Hill Boat Launch-** -There was confusion at the board level about the committee's intent concerning Gilroy park. Jenema thought the committee had given Zollinger the go ahead to move forward with looking into Gilroy park. The board needs an actual motion of support from the committee.

Jenema went over her memory of how the discussions went with the back and forth involving the south bayside park and the boat launch, previously recommended to be closed by the committee.

Winter gave more input.

Wentzloff asked about leaving the boat launch as is, with parking at Gilroy park and no parking at the actual launch to leave room for the trail to go through.

Jenema said yes until the trail goes in.

Aukerman explained the history of townships interest in Gilroy park.

Heffner had a meeting with Brian Terhune and walked the property from Gilroy to south bayside. Heffner brought up the discussion that instead of purchasing Gilroy park that we keep the boat launch at bayside open and move the parking, bathrooms and kayak launch down near the marina. Heffner said a minimal amount of money would be needed to bring the launch at Bunkerhill rd. up to better safety standards, estimated cost to be around \$2500, in his opinion. He gave a list of things he saw that needed repair; chunks broken off areas of the ramp, rebar showing through on ramp, damage to the storm drain, gravel repair and signage to help show people where to park.

Heflin gave her opinion on why the boat launch should be closed for safety issues and lack of township funds to fix it.

Winter added that even the Nelson family who owns the business properties across the street from the boat launch, are in agreement with closing the Bunkerhill launch.

Discussion followed

Jenema talked about the fact that it was up to the board to decide to leave the boat launch open, the park and trail committee made a motion to close it. Original motion maker would have to reopen the motion to amend it. Lapointe made the original motion, he is no longer on the committee.

Jenema asked either for a consensus from the park and trails committee or suggested that Heffner bring his ideas back to the board.

Aukerman asked Heffner what his main objectives are? With the TART trail placement being the number one objective of the committee at that location. He agreed getting the trail was a priority, but with the transfer station believed it would be too hard for bikes.

Discussion followed about trail placement and stormwater runoff from Bunkerhill rd, Mdot has been met with to discuss the redo of Bunkerhill rd.

Discussion continued moved to list of goals put together in 2015

Briefly looked at how much the committee and township have been able to move forward in the last 2 years all agreed we are making good progress.

Motion: By Timmins 2nd. By Heflin. To recommend to the board to pursue, with MDOT, looking into the maintenance cost of Gilroy park with the intent of possible acquiring the park.

Motion carries 5 for, 1 opposed

G. NEW BUSINESS:

1. **2017 Parks & Trails Priorities Update** The townships part-time park employee starts in April. The maintenance committee is recommending to the board that larger maintenance is contracted out. Budget planning for next year is starting at the township level. Discussed the repaving of Bunkerhill rd.. Feringa said the timeline is dependant on staffing. Discussed having to do a new park plan and coming up with new 5 year plan that will involve finishing the projects already started and others decided upon later by the committee.

2. PUBLIC COMMENT Still looking for a new committee member

ADJOURN: Motion by Wentzloff 2nd. By Timmins. Passed

Subject: park planting

Hello Marci and Parks and Recreation committee members,

(Shawn - please forward to others members as I could not find contact information on the township website - thanks)

As you continue plans for Bayside Park, please consider only using native plants. These require less care, are more hardy and provide ecosystem services.

I have included information from the Grand Traverse Conservation District.

<http://natureiscalling.org/planting-native-trees-shrubs/>

Also please refer to Archangel Ancient Trees for information on the black willow. This tree has numerous benefits. Our remaining Black Willow is a champion specimen.

Most importantly, utilizing the black willow can help protect water quality.

Any concerns about risk due to falling limbs can be mitigated by coppicing:

Much public money has been spent to acquire these parklands and now to improve them. Please consider the benefits of these improvements beyond mere aesthetics and create a plan which protects our valuable natural resources for all.

Thank you for your time and efforts for our Acme Township parks
