Medical Marihuana Facility License Lottery Procedure

Location: Acme Township Hall, 6042 Acme Rd, Williamsburg, MI 49690

Date: Friday, March 23, 2018

Time: 11:00 a.m.

The lottery to select which of the qualified applicants will receive a medical marihuana facility license will be conducted through a total of five (5) drawings. The qualified applicants will be separated based on the zoning district in which they applied to operate in, then separated based on facility type. The five (5) drawings will take place as follows:

<u>Zoning District</u>	<u>Facility Type (no. of licenses)</u>
C: Corridor Commercial	Provisioning Center (1)
A-1: Agricultural	Grower (2)
A-1: Agricultural	Processor (2)
B-4: Material Processing & Warehousing	Provisioning Center (3)
B-4: Material Processing & Warehousing	Grower (3)

All qualified applicants for each drawing will have their application number placed into a container. The lottery will draw all application numbers per round, beyond the number of allotted licenses, and the qualified applicants will be recorded in drawn order. In the event a recipient of a license is unable to operate, the license is returned, or the license is revoked, the license may then become available to the next applicant on the list. There will be no drawing for processor, secure transporter or safety compliance facilities in the B-4: Material Processing & Warehousing District since less applications were received than licenses allowed.

The lottery will be open to the public if anyone wishes to attend. Since the Acme Township Hall is closed on Fridays the doors will be unlocked prior to the 11:00 a.m. drawing and everyone will be asked to leave as soon as it is finished. Please contact the Township if you have any further questions.
