E. ACTION:

1. Approve Draft Parks & Trails Minutes 02.15.19. Motion by Timmins to approve the minutes from 02.15.19, seconded by Heffner. Motion carries.

F. OLD BUSINESS:

1. Trail Updates

a. Michigan Natural Resources Trust Fund Grant

Winter informed there is a public hearing at a special meeting on March 19 for the approval to submit for a MDNR Natural Resources Trust Fund application for the construction of the Traverse City-Charlevoix Trail, segment from Bunker Hill Road to M-72. The request will be for the trail segment extending from Bunker Hill Road to Mount Hope Rd., Mount Hope Rd. to M-72, M-72 between Mount Hope Rd and the US-31/M-72 intersection, and from Mount Hope Rd. through Samaritas, Feast of Victory Lutheran Church, Koti development and the Grand Traverse Town Center.

i. Engineering Scope, Public Hearing, Application Submission

Beckett & Raeder is engineering the project and provide an estimate of projected costs for the grant application. Costs are just over a million dollars. If supported and approved by the Board, the grant application will be submitted requesting the maximum of \$300,000. Acme Township is being asked to commit \$75,000 to the construction costs as matching funds. TART Trails has committed to fundraising the balance through private and public organizations.

b. Traverse City to Charlevoix Trail

i. Project Update

Winter informed they should know by fall if the grant was approved. If not given or the fundraising does not materialize the plan will be modified.

Kushman reported the deadline for public comments from the Traverse City-Charlevoix Trail open house was that day. So far, the majority of the comments have been that they are satisfied and want the trail.

He gave an update on a project being considered for improvements on a primarily design for a youth-oriented bike trail at the head of the Vasa pathway. They would like to get feedback from a user group and schedule a meeting tentatively in April. It is county property but in Acme Township.

2. Bench Swing

Winter informed the committee needed to make decisions on the shape of the playground and select a color for the Vitriturf. On April 9 a meeting is scheduled with Carl Pietila from LSI, to look at the site and mark the space for the playgroup equipment. A contractor will be needed to install a layer of gravel and put in the footings. Tentatively April 29 & 30 are the community build days. An estimate of 15 volunteers will be needed to help complete the project. The Vitriturf needs to be put down on a dry day. Carl recommended using a blend of half black and another color for the Vitriturf. Black is less expensive than the colors. The committee decided to have a round shape adjusting for trees and the sidewalk. Depending on the cost, the first choice of color for the Vitriturf would be brown, second mix of brown and black and lastly all black.

Motion by Timmins depending on cost, first choice solid brown, second mix of brown and third all black for the Vitriturf, seconded by Jenema. Motion carries.

Heffner showed photo of the bench swing he saw at Glen Arbor Park for the park. He contacted GameTime the company who has the bench and was able to get the freight cost down. The committee pick the bench color with first choice champagne, second beige and third brown. The committee would like to have two, one will be donated, and Winter will check with the board to see if a second one can be purchased.

Motion by Timmins to go with GameTime for the swing benches with the first choice of color champagne, second beige and third brown, seconded by Smith. Motion carries.

Winter said the boulders at the park need to be moved away from the playground area. Feringa said he will put stakes in the ground where they could be moved by with a tractor.

3. Park System Signage

Winter contacted DND signs he will be having a meeting with them to go over specifications to put out to bid.

4. Art In The Park

Smith would like to form a sub-committee for feedback, projects and locations. He suggested to start simple, using small items with a presence of nature and possibly interactive. The committee agreed this is a good way to start. Smith will get back at the next meeting with a possible sub-committee.

Heffner mentioned there is over 200 native plants for the park that are being held indoors to be planted when the weather allows. Members of the garden club will help with the planting. Winter will get with them on the new site plan and clarify planting areas, and what they will be doing and what the township will do. Jenema suggested to place tall plants on the edge of the shoreline to discourage geese from coming up on the lawn.

5. Bayside Park Dedication Ceremony

Winter reported the tent and sound system has been reserved for the open ceremony on Saturday May 18. He will put a budget together for refreshments and cookies. Heflin suggested to send out an email inviting the conservatory contacts, donators, and those who were involved with working on the park to the ceremony. Heffner suggested to have on view the park's future plans requesting donations for additional playground equipment.

G. NEW BUSINESS: None

H. PUBLIC COMMENT: None

ADJOURN: Motion by Timmins to adjourn. Meeting adjourned at 9:58 am

Shawn Winter

Subject: Request special swing

This is my son Christopher, this swing or one like it could be used for a larger baby/toddler or a special person providing safety and fun! We would donate any cost in providing this project, please consider this for our wonderful developing park.beckyd
