

## ACME TOWNSHIP PARKS & TRAILS COMMITTEE

### APPROVED MINUTES

September 20, 2021

#### CALL TO ORDER

The Acme Township Parks & Trails Committee meeting of September 20, 2021 was called to order by Chairman Wielenga at 4:04 pm. The meeting was held in the Acme Township Hall Meeting Room and there were no attendees from the public.

#### ROLL CALL

Committee Members present: Huffer, Jenema, Wielenga, Morrison, Wentzloff

Committee Members excused: LaPointe, Timmins

Advisory present: Kushman, Lamott

Staff present: Susan Kase, Recording Secretary

#### A. PUBLIC COMMENT

There was no public comment.

#### B. APPROVAL OF AGENDA

**Motion by Wentzloff, supported by Morrison to approve the agenda as presented. All Yeas. Motion carried.**

#### C. DECLARATION OF CONFLICT OF INTEREST

None stated.

#### D. CORRESPONDENCE

There was no correspondence.

#### E. ACTION

1. Approve **DRAFT** Minutes for the July 19, 2021 Parks & Trails meeting. **Motion by Wentzloff, supported by Jenema to approve the DRAFT Parks & Trails Minutes of July 19, 2021 as presented. No discussion. Yes:** Jenema, Wentzloff, Morrison, Wielenga; **No:** None; **Abstain:** Huffer; **Motion carried.**

#### F. OLD BUSINESS

##### **1. Bayside Playground Expansion**

Chairman Wielenga opened the discussion regarding customizing the features of the proposed playground. Referencing the Playcraft catalog, Committee members voiced their suggestions for the ages 2- to 5-year-old play area and the ages 5- to 12-year-old play area. It was agreed that it is best to avoid surfaces that may become slippery, to select more

durable materials that are less prone to damage/breakage, and to not include noisy attachments such as a xylophone. Based on the agreed upon features, Chairman Wielenga will go back to Josh Cartwright, Play Environments Design consultant, with the new configuration and request an updated rendering of the playground. The timeline for the playground installation will be 1) finalize what features will be included, 2) present a visual rendering for the community, and 3) seek funding for the project. Chairman Wielenga stated that Playcraft prices are scheduled to increase in January 2022.

## **2. Trails Update**

Advisor Kushman updated the Committee members on the Acme Connector Trail. The advertisement for bids will be published this Thursday, September 23. The bidding will be open from September 23 to October 24, four weeks. They are hoping to cast a wide net for multiple bids that are in line with the estimates. Construction is scheduled for late winter 2021, early spring 2022. It is hoped that construction would be complete by August 1, with regulatory signage in place by August 1. Mr. Kushman commented that lumber prices have decreased recently.

## **3. Kiosk for Bayside**

The Acme Township Park Rules will be incorporated in the kiosk, and Lindsey Wolf will design the kiosk. There was discussion by the Committee Members regarding updating the Park Rules. This item will be on next month's meeting agenda.

## **G. NEW BUSINESS**

### **1. Marina Area and Bunker Hill Park Space**

The initiative to improve the green space near the Marina was started by boat owners and interested parties. While their involvement is welcomed, there are issues regarding ownership that Acme Township must address. The Township would do the work, update the irrigation near the Marina, eliminate weeds, and improve the green space.

In regard to improving the Bunker Hill Boat Launch, the Grand Traverse County Road Commission owns the land. Some issues with the Boat Launch are the limited number of parking spaces, there is no power supply to the well, and the vet clinic building. Chairman Wielenga asked what needs to be done to move forward. It was agreed that a list of what is desired for the Marina Area and Bunker Hill Park Space is needed. Some ideas are public restrooms, a covered pavilion, and a sandy beach area.

## **H. PUBLIC COMMENT**

There was no public comment.

**ADJOURN: Motion by Jenema, supported by Huffer, to adjourn. No discussion. All Yeas. Motion passed.** Meeting was adjourned at 5:38p.m.

Respectfully submitted, Susan Kase, Recorder

To: Acme Township Parks & Trails  
From: Brian Kelley

August 16, 2021

Good afternoon,

I see the Acme Placemaking Plan recap item on the agenda. That plan was created in 2012 and I wonder, isn't it time for an update?

## 1. Placemaking - 2012

- . Many of the expected development patterns of 2012 are now "functionally obsolete" to quote John Iacoangeli
- . The Tribe now owns the GTTC, and their plans are expected to be significantly different than the previous vision
- . Steve Feringa, if I recall correctly, has stated that the tribe is no longer interested in building a connector road from Mt. Hope to the development. That project is the first item on the Placemaking list.
- . The Placemaking traffic plans are outdated and need to be revisited. There are development projects planned at the end of Holt road, and KOTI and MDOT seem to envision a traffic light in front of that development. Will there still be a round-about at Mt. Hope road, as the Placemaking plan implies, in addition to that traffic light?
- . The Placemaking Plan seems to lack attention on sidewalks. And pedestrian crossings need more attention. As one example, due to the interest in the Meijer store, pedestrian safety crossing M72 at Lautner is dire. That, and the lack of sidewalks, seems like a Planning failure for the project.

## 2. Sidewalks

There are no curb cuts for sidewalks along M72 at the KOTI development. That is surprising and disappointing, given the extensive project and clear need. Shouldn't our Zoning Ordinance require sidewalks for such large projects?

Thank you,  
Brian Kelley

1. Bayside Playground Expansion
2. Trails update
3. Kiosk for Bayside

**G. NEW BUSINESS:**

1. Marina Area and Bunker Hill Park Space

**H. PUBLIC COMMENT**

**ADJOURN:**

**DRAFT UNAPPROVED**

**ACME TOWNSHIP PARKS & TRAILS COMMITTEE  
MEETING**

**6042 Acme Rd-Williamsburg MI**

**In-Person Meeting**

**Monday, August 16, 2021, 4:00 p.m.**

**CALL TO ORDER at 4:09 p.m.**

**ROLL CALL**

**Committee Members present:** Hefner, Wentzloff, Morrison, Wielenga

**Committee Members excused:** Timmins & Lapoint

**Advisory present:** Lamott

**Staff present:**

**A. PUBLIC COMMENT:** Brian Kelly reviewed the Placemaking Plan from 2012 felt it could be updated. A lot has changed since then. Also was disappointed no sidewalk along M-72 in front of the KOTI project.

**B. APPROVAL OF AGENDA**

**Motion by Heffner, supported by Morrison, to approve the agenda as presented. Voice vote. Motion carried unanimously.**

**C. INQUIRY AS TO CONFLICTS OF INTEREST:** None

**D. CORRESPONDENCE:** Brian Kelley submitted correspondence at the meeting.

**E. ACTION:**

**1. Approve *Draft Parks & Trails Minutes 07.19.2021***

**Motion by Heffner, supported by Morrison, to approve the *Draft Parks & Trails Minutes 07.19.2021* as presented. No discussion. Voice vote. Motion carried unanimously.**

**F. OLD BUSINESS:****1. Bayside Playground Expansion**

Morrison met Josh Cartwright at Bayside to review additional options. Josh Cartwright made a site plan for some structures and swings. Josh Cartwright recommended an elevated play surface so 12"-16" of crushed concrete can be put under for dealing with water issues due to be located so close to the Bay. Additional discussion on ADA access to the different play areas with the elevated surface was discussed.

The first design gives area and space and a good start point so figure out price and what is needed/wanted in the play area.

Hefner is glad to see a plan.

Morrison asked Committee to look over the plans and ideas so there can be additional discussion at the next meeting (September).

Discussion on future price increases 7% higher than last year and what does the Township currently have available.

## **2. Yuba Creek Natural Area**

Morrison walked Yuba Creek Natural Area with Steve Lagerquist to look for trail options. The conclusion drawn was it is not feasible for a connector trail to be built on parts of the Yuba Creek Natural Area that are too wet - which likely makes the addition of a trail that crosses the creek a project that is not feasible.

## **3. Trails update**

All the information was finally uploaded for the DNR grant, waiting for okay to put out for bids.

## **4. Kiosk for Bayside**

Hefner met with the GT Regional Land Conservancy to discuss the sign the kiosk for Bayside. They are checking to see if Acme's Logo can go on their sign. Jennifer Grey at the GTRLC is checking with her boss and will get back to us.

## **G. NEW BUSINESS**

### **1. Election of Officers**

Jenema nominated Matt Morrison as Chair, Wentzloff second. Matt Morrison turned down the nomination.

Jenema nominated Nate Wielenga as Chair, Wentzloff second. Nate Wielenga accepted the nomination. Voice vote. Wielenga abstain. Motion carried unanimously.

Wentzloff nominated Amy Jenema as Vice-Chair, Hefner second. Amy Jenema accepted the nomination. Voice vote. Jenema abstain. Motion carried unanimously.

Jenema nominated Karly Wentzloff as Secretary, Morrison second. Karly Wentzloff accepted the nomination. Voice vote. Wentzloff abstain. Motion carried unanimously.

### **2. Acme Placemaking Plan Recap**

Discussion meeting at South Bayside to talk about changes to the Placemaking Plan and discussion on area by marina.

**H. PUBLIC COMMENT:** Brian Kelley brought up money for infrastructure from American Rescue Plan (ARP) should be used to update plan.

**Thank you, Jim Heffner for your Service on the Parks and Trails Committee.**

**ADJOURN: Motion by Wielenga supported by Wentzloff, to adjourn. No discussion. Voice vote. Motion carried unanimously.**

Meeting adjourned at 5:13 p.m.

GENERAL NOTES:

This Preliminary Site Plan is based on measurements that were provided in the initial planning phase. All dimensions must be verified prior to the submission of a purchase order. Playcraft Systems will not be held responsible for any discrepancies between actual dimensions and dimensions submitted in the planning phase.

The Minimum Use Zone for a play structure is based on the product design at the time of proposal. Components and structure designs may be subject to change which may affect dimensions. Therefore, before preparing the site, we strongly recommend obtaining final drawings from the factory (available after the order is placed and included in the Assembly Manual).

**WARNING:** Accessible safety surfacing material is required beneath and around this equipment that has a critical height value (fall height) appropriate for the highest accessible part of this equipment. Refer to the CPSC's Handbook For Public Playground Safety, Section 4: Surfacing.

**No person may be in the park 30 minutes after sunset to 30 minutes before sunrise.**

Please remember all Township, State and Federal ordinances and laws apply within the park.

### F. 3

The Conservancy works hard to balance public use with the protection of natural resources. We welcome educational and recreational uses, as long as guests are mindful that they are visiting the homes of the plants and animals whose lives depend on the land's protection.

- Fuel between 6AM and 12PM
- Human on established lands
- Park only in designated areas
- Prohibit the use of all weapons and the projection of weapons, keep all parts on hand and cleanup after the use
- No possession, consumption, or use of alcoholic beverages
- No smoking (including e-cigarettes, tobacco, or marijuana) in any area
- No possession, consumption, or use of any form of Marijuana or cannabis
- No food or causes food to become messy or leave the park
- No possession, consumption, or use of animals
- No holding or systematically soliciting business of any kind
- No possession or attempting to sell any other type of harmful substances on any area, place, or chemical
- No possession, consumption, or use of any type of drug
- No prohibited vehicles (including tricycles)
- No possession of other aircraft
- No use of any other aircraft
- No use of any plant, animal or other
- No firearms
- No fires
- No tapping
- No spilling or disposal of trash
- No weapons
- No use of any other vehicle
- No use of any other vehicles

**Remember that you are welcome in a place that is home to many unique plants and animals.**

While the property is open to the public, visitors near the agricultural fields should respect the crops and avoid interfering with active agricultural operations.

## RULES & REMINDERS

Please, when visiting this nature preserve...

- Visit between dawn and dusk.
  - Remain on established trails.
  - Remain within the property boundaries.
  - No motorized vehicles (including snowmobiles).
  - No drones or other aircraft.
  - Do not remove any plant, animal, or other natural feature except where hunting and fishing rules allow.
  - No fires or camping.
  - No disposal of trash.
  - All pets are required to be on a leash. For the enjoyment of all visitors and the protection of wildlife, please keep all pets on leash and clean up after them.
- ...Remember, you are a visitor to a place that is home to many unique plants and animals, let's keep it that way!

PLEASE NOTE:

G.1
